DEPARTMENT OF HEALTH AND HUMAN SERVICES National Institutes of Health

OFFICE OF THE DIRECTOR, NATIONAL INSTITUTES OF HEALTH; Notice of Meeting

Pursuant to section 10(a) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of a meeting of the Recombinant DNA Advisory Committee.

The meeting will be open to the public, with attendance limited to space available. Individuals who plan to attend and need special assistance, such as sign language interpretation or other reasonable accommodations, should notify the Contact Person listed below in advance of the meeting.

Name of Committee: Recombinant DNA Advisory Committee

Date: June 9-10, 2015

Time: June 09, 2015, 12:00 PM to 5:10 PM

Agenda: The NIH Recombinant DNA Advisory Committee (RAC) will review and discuss

selected human gene transfer protocols and related data management activities. For more information, please check the meeting agenda at OBA

Meetings Page (available at the following URL:

http://osp.od.nih. gov/office-biotechnology-activities/event/2015-06-09-160000-

2015-06-10-210000/rac-meeting)

Place: National Institutes of Health

Natcher Building

Conference Room E1/E2

45 Center Drive Bethesda, MD 20892

Time: June 10, 2015, 8:30 AM to 5:00 PM

Agenda: The NIH Recombinant DNA Advisory Committee (RAC) will be holding a

workshop to discuss Cytokine Release Syndrome after T Cell Immunotherapy. The focus of this workshop will be to review CRS experiences and establish a

uniform definition, develop grading criteria, and optimize management

strategies for CRS. For more information, please check the meeting agenda at

Bethesda, MD 20892 301-496-9838 nicelc@mail.nih.gov

In the interest of security, NIH has instituted stringent procedures for entrance onto the NIH campus. All visitor vehicles, including taxicabs, hotel, and airport shuttles will be inspected before being allowed on campus. Visitors will be asked to show one form of identification (for example, a government-issued photo ID, driver's license, or passport) and to state the purpose of their visit.

Information is also available on the Institute's/Center's home page: http://oba.od.nih.gov/rdna/rdna.html, where an agenda and any additional information for the meeting will be posted when available.

OMB's "Mandatory Information Requirements for Federal Assistance Program Announcements" (45 FR 39592, June 11, 1980) requires a statement concerning the official government programs contained in the Catalog of Federal Domestic Assistance. Normally NIH lists in its announcements the number and title of affected individual programs for the guidance of the public. Because the guidance in this notice covers virtually every NIH and Federal research program in which DNA recombinant molecule techniques could be used, it has been determined not to be cost effective or in the public interest to attempt to list these programs. Such a list would likely require several additional pages. In addition, NIH could not be certain that every Federal program would be included as many Federal agencies, as well as private organizations, both national and international, have elected to follow the NIH Guidelines. In lieu of the individual program listing, NIH invites readers to direct questions to the information address above about whether individual programs listed in the Catalog of Federal Domestic Assistance are affected.

(Catalogue of Federal Domestic Assistance Program Nos. 93.14, Intramural Research Training Award; 93.22, Clinical Research Loan Repayment Program for Individuals from Disadvantaged Backgrounds; 93.232, Loan Repayment Program for Research Generally; 93.39, Academic Research Enhancement Award; 93.936, NIH Acquired Immunodeficiency Syndrome Research Loan Repayment Program; 93.187, Undergraduate Scholarship Program for Individuals from Disadvantaged Backgrounds, National Institutes of Health, HHS)

Dated:	May 7, 2015.
